About Our Speaker: Bonnie Freeman

At the age of 23, during a springtime revival service, Bonnie asked the Lord to forgive her sins. She can remember feeling a sense of relief knowing that she had entered into a relationship with the Lord. Like most people, she experienced many ups and downs in life, but she always clung to her relationship with her Savior. In February, 2006, just one month short of their 30th wedding anniversary, Bonnie lost her first husband in a tragic accident. One day during prayer, she told the Lord that she had loved being a wife, and if it was in His will, she would like to marry again; and since she greatly enjoyed ministering to others, she would like to be a pastor's wife, if it met with His purpose for her life. God blessed her desire: in October, 2008, she married Pastor Cody Freeman, who had lost his wife in December of 2006. Bonnie is active in ministry, having taught Junior Church and Women's Bible Study, and is currently leading her church's ladies group. The Freeman's frequently invite guests into their home to "break bread" and attempt to show them the love of Christ.

We are living in crazy times...what is right is wrong and wrong is right. God has called us to be holy as He is holy. When we live a life of holiness, He promises to bless us. Let's make sure that we are in line to receive His blessings!
